

ADDITIONAL NEEDS SUPPORT GROUP

Aldershot

Wednesday 13 November 2024

10am - 12pm

Maurice Toye House, Aldershot, GU11 1PL

AFF and AWS Community Support are holding an additional needs support group for Service families who have a family member with an additional need and/or disability and we hope you can join us. There will be representatives from AFF, AWS and SSAFA present to raise any issues or concerns that you may have and it is also an opportunity to meet other families.

If you are interested in joining us, or would like more information, please contact Karen Ross at healthsupport@aff.org.uk
